62040-55	55 Gallon Drum	505 lbs.

*Most products available in totes. For alternate packaging, contact ITD.

TECHNICAL INFORMATION

Color	Yellow
Odor	Odorless
pH	12.0 - 14.0
State	Liquid
DOT	Not Regulated by DOT

Meta Wood is a metasilicate-based wood cleaner and restorer that is designed to penetrate and remove the top layer of old, dead wood on decks, fences, and other wooden structures.

Following correct application of Meta Wood, the underlying fresh wooden surface is revealed in its brilliance.

DIRECTIONS FOR USE:

Dilute 1 part Meta Wood to 4 parts water (1:4) in a pump up sprayer or similar application device. Spray liberally onto aged wooden surface. Allow 20 minutes of dwell time.

Reapply if solution dries during this dwell time, to maintain continuous wetness. Rinse with a pressure washer, using a white 40 degree tip.
